

#### **Basketball to Mizzou—January 30, 2015**

Boys basketball players were treated to an evening out last night by Coach and Mrs. Keller and Coach Hartman. We boarded the bus and departed the campus around 5:30 PM with our very gracious driver, Daniel Perrigo, traveling to Columbia, Missouri where we would attend the University of Missouri men's basketball game. The Missouri men faced the undefeated number one team in the nation University of Kentucky Wildcats.

Upon arrival, the boys and coaches were provided passes by the Mizzou Athletic Department and seated in an excellent location in which to view the game. Once we were seated, the boys requested permission to "touch" the basketball court, while the players of both teams were warming up. While we were not permitted on the floor itself, we did make the trip to the court to see the players and stand as close as possible to the action. Our students were most impressed by not only the height of the collegians as well as the size of some of their shoes.

All in all, it was a great outing even though our Mizzou Tigers did not get the win. Thank you MSD for allowing us this opportunity to attend this event.
